

International Pigeon Market during the 39th International Racing Pigeon Fair from 6th to 8th February 2026

All fanciers (from home and abroad) can offer their pigeons at the 39th International Racing Pigeon Fair

Any number of stands (3 x 2 m each) can be ordered.

Cages

To ensure a smooth organisational process, we offer our own association cages. These are the same cages that which we use us for our exhibition. Water and food containers must be brought along without fail.

Regulations

Every exhibitor of pigeons is obliged to ensure a year-round vaccination against paramyxovirus (minimum three weeks, at the latest eleven months before the exhibition). Each exhibitor also commits oneself to have only one pigeon in each cage. Each supplier is responsible for the proper care of the animals.

Prices

We offer sales stands with a space of 3 m x 2 m = 6 square metres at a total price of € 300.
